together with the sixteenth century the nineteenth century is universally recognized as one of the two most creative periods in protestant thought it is also widely regarded as a period that marked a break with the heritage of the reformation in five elegantly written essays b a gerrish challenges this assumption by showing that some of the foremost leaders of nineteenth century liberal protestantism found loyalty to their tradition compatible with change and desired a development rather than either rejection or repetition of traditional doctrines gerrish considers five basic theological issues and shows how each is developed in the thinking of a nineteenth century theologian of the reformed tradition the formal question of continuity and change in theological reflection is viewed through the work of schleiermacher four other reformed leaders are then studied to exemplify the material transformation of

particular doctrines nevin the church john mcleod campbell the atonement alexander schweizer providence and predestination and biedermann life eternal gerrish permits each of the five theologians to speak for himself about what he was doing and how it constituted a continuation of old doctrines in so doing gerrish invites the provocative question whether there was not something characteristically protestant about their thinking precisely because they understood continuity as a kind of change the essays offer a reassessment of nineteenth century theological history fresh interpretations of some classical answers to enduring theological questions and a contribution to the wider problem of tradition in the modern world

constructive contemporary theology requires serious engagement with the theologians of the past this book offers a series of studies in the christology of key representatives in the reformed tradition engaging their thought for contemporary dogmatics thinkers from each of the five centuries in which reformed theology has flourished are represented john calvin john owen jonathan edwards william shedd donald baillie and kathryn tanner each of whom in different ways challenge conventional accounts of christology the book is organized thematically linking historic and contemporary discussions of christology in theology and philosophy by engaging the thinking of these theologians in a collegial way using their work as means of promoting constructive systematic theology today oliver crisp presents an important contribution to broadening our understanding of reformed theology by showing how important theologians have taken views often at odds with textbook accounts of the tradition written in an accessible style this book will appeal to a wide range of readers including upper level undergraduates graduate students and scholars of christian theology philosophy and religious studies
